

## Retail Support Services

**Day-to-day operations** in today's retail environment is challenging at best. New item launches, promotional activity, out-of-stock management, and even product recalls continue on a regular basis.

To ensure that merchandise is properly displayed, shelves filled, SEL's correctly placed and showing the correct price, promotional material deployed, and many other support tasks, retail and distribution alike turn to WIS International, a reliable retail support services provider, who can complete your projects quickly and effectively.

## Benefits for your business

**Employee Supervision and Motivation** – Our managers know how to motivate our employees to meet agreed expectations and provide feedback individually and to the store on their performance.

**Direct Employees** – WIS International hires, trains and deploys direct employees for client projects. This allows for full management control and ensures consistent quality.

**Surge Capabilities** – With a large pool of employees, covering the whole of Europe, WIS International has the capacity to quickly perform projects across a large number of retail locations when your need is greatest.

**Retail Specialists** – A year-round workforce that specialises in working in retail provides efficiency for your projects. Familiarity with the retail and warehouse environment and performance standards results in a job well done.

**Transportation** – All WIS colleagues arrive together in WIS branded transport and in full uniform. We are a Team.

**Web-based Communication and Training Expertise** – WIS International provides consistent communication, training and specific project instructions.
